Assistant Professor	PHYSIOLOGY	LSLAGMC, RAIGARH	14/07/14	TILL DATE	2YRS 4 MONTHS

Key Areas of Interest: - AUTONOMIC NERVOUS SYSTEM, NEUROPHYSIOLOGY,
 ERG, PFT

Conferences/Workshop Attended: -

CONFERENCES

- 1) CME on ‘Physiology of stress’ held at AMCMET Medical College, Maninagar, Gujarat, 2011
- 2) CME on Human physiology and applied Physiology, held at B.J. Medical College, Ahmedabad, Gujarat, 2012
- 3) CME on “Ethics for use of animals at medical Research” held at AMCMET Medical College, Maninagar, Gujarat, 2012

- 4) CME on “Mechanics to management of Pain” held at AMCMET Medical College, Maninagar, Gujarat.2012
- 5) 1st International conference on basic and applied Physiology 2012, held at B.J. Medical College, Ahmedabad, Gujarat
- 6) 2nd International conference on Basic and applied Physiology 2013, Held at SMS Medical College, Jaipur, Rajasthan.
- 7) CME on Pharmacovigilance at LSLAMMC, Raigarh, 2015
- 8) ISACONG 2016 at LSLAMMC, Raigarh

WORKSHOP ATTENDED

- 1) Workshop on
 - a) Impedance Cardiovasography
 - b) Nerve conduction velocity and electromyographyHeld at Department of Physiology, Bhavnagar, Gujarat.
- 2) Workshop on
 - a) Heart rate Variability (HRV) Physiology
 - b) Electro physiologyHeld at 2nd International conference on Basic and applied Physiology 2013, Held at SMS Medical College, Jaipur, Rajasthan.
- 3) Workshop on
 - a) Sleep Physiology
 - b) Stressor/ De-stressor Physiology
 - c) BiofeedbackHeld at 2nd International conference on Basic and applied Physiology 2013, Held at SMS Medical College, Jaipur, Rajasthan.

Paper/ poster presentation: -

- 1) Research Paper presentation on “A study of effect of smoking on glycosylated hemoglobin in non diabetics” at CME State Conference in Human Physiology and Applied Physiology, 18th Feb.2012 at B.J.M.C. Ahmedabad
- 2) Research Paper presentation on “Gender differences in preferences of sensory modalities of learning styles among undergraduate medical students” at 1st International Conference on Basic and Applied Physiology ICON-BAP-2012”, 22nd and 23rd December 2012

- 3) Poster Presentation on “Comparison of Post-partum stress on uneventful vaginal delivery and Elective cesarean Section” at 1st International Conference on Basic and Applied Physiology ICON-BAP-2012”, 22nd and 23rd December 2012
- 4) Poster Presentation on “The isometric handgrip exercise as a tool for screening hypertension in offspring’s of hypertensive patients.” , at 2nd International Conference on Basic and Applied Physiology ICON-BAP-2013” , December 2013

Paper Publications: -

- 1) Comparison of postpartum stress following uneventful vaginal delivery & elective C-section in International journal of Basic and Applied Physiology Vol. 1, issue 1, Dec 2012,
- 2) Gender differences in preferences of various modalities of learning styles among undergraduate medical students in International journal of Basic and Applied Physiology Vol. 2, issue 1, Dec 2013
- 3) Effect of Anemia on Premenstrual Syndrome in Adolescent Girls in International journal of Basic and Applied Physiology Vol. 2, issue 1, Dec 2013
- 4) Role of Multifocal Electroretinography in Assessing Local Retinal Abnormalities in Diabetic Subjects With and Without Retinopathy in International journal of Basic and Applied Physiology Vol. 2, issue 1, Dec 2013
- 5) Multifocal Electroretinography in Assessment of Diseases of Posterior Pole of Retina in International journal of Basic and Applied Physiology Vol. 2, issue 1, Dec 2013

Achievements /Awards:-

- 1) Award for Best paper presentation at CME State Conference in Human Physiology and Applied Physiology, 18th Feb.2012 at B.J.M.C. Ahmedabad
- 2) Award for Best paper presentation at 1st International Conference on Basic and Applied Physiology ICON-BAP-2012”, 22nd and 23rd December 2012
- 3) Secured Highest Theory Marks in MD examination, held in Gujarat University in April 2014.
